

MILAD AZIZKHANI

WEB DEVELOPER | GRAPHIC DESIGNER | INSTRUCTOR | RESEARCHER

ABOUT ME

Hello, I'm Milad Azizkhani — a Front-End Developer, Graphic Designer, and SEO Enthusiast with a strong interest in building clean, high-performance, and user-focused digital experiences. I have hands-on experience in front-end development and enjoy creating visually appealing designs that enhance user engagement. My background in SEO helps me optimize websites for better visibility, technical performance, and search engine ranking. I'm passionate about combining development, design, and optimization to deliver polished, effective, and modern web solutions.
